klikając admit pozwalamy na dołączenie  
klikając remove usuwamy ze spotkania**

**Tomasz Sieniaw...**

The screenshot shows the Zoom meeting interface. At the top right, the title bar reads "Participants (2)". Below it, a section titled "1 person is waiting" is highlighted with a red box. This section contains a card for a waiting participant with initials "WM" and two buttons: "Admit" (in blue) and "Remove" (in grey). To the right of the "Admit" button is a "Message" link. Below the waiting room section, it says "1 participant in the meeting" and lists "Tomasz Sieniawski (Host, me)" with a yellow profile icon and a microphone icon with a slash through it. At the bottom of the meeting window, there are buttons for "Mute All", "Unmute All", and "More". The Windows taskbar is visible at the very bottom, showing the Start button, search icon, task view icon, and several open application windows including Zoom. The system tray on the right shows the time as 20:21 on 04.04.2020, along with icons for network, volume, and battery.
