Grammar

Present perfect simple, present perfect continuous

Present perfect simple

have/has + past participle

statement

negative

question

Vyou/we/they have ('ve) learnt ... I/you/we/they have not (haven't) learnt ... Have I/you/we/they learnt

Use	Example
Situations that started in the past and are still true	Mrs Jenkins has been the head teacher for three years.
Completed actions at a time in the past which is not mentioned	I've already read that book.
Completed actions where the important thing is the result now	They've all done their homework.

elpful hints

present perfect simple is often used with the following ds and phrases:

- She's taught German here for over five years nce Mr Gray has taught French here since 2006. We've just done this exercise, We've already done this exercise. ready We haven't checked the answers yet. Have you ever had guitar lessons? I've never understood why they give us so never much homework!
- * it's the It's the first time we've watched a video in first time class.

We don't use the present perfect simple when we want to say when something happened in

the past. We use the past simple. / I did my homework last night.

" We don't use the past simple when we want to show that something happened before now or is stall important now. We use the present perfect simple.

/ I've finished! Can I go home now?

Some verbs have irregular past participle forms. See page 182.

Present perfect continuous

have/has + been + -ing

statement

L/you/we/they have ('ve)

been studying .

negative

L/you/we/they have not (haven't) been studying ..

question

Have I/you/we/they been studying ...?

He/she/it has ('s) been studying ... He/she/it has not (hasn't) been studying ... Has he/she/it been studying

Use **Helpful hints** Example Actions continuing The present perfect continuous is often used with the We've been doing grammar following words: up to now or just exercises for over an hour. before now Can we have a break now? I've been learning English for over three years. They're having a break now because since He's been learning Chinese since 2004. they've been working so hard.

just I've just been reading the school newspaper.

The present perfect simple often emphasises the result of an action: √ She's written an article for the school newspaper. (= She's finished it.)

- The present perfect continuous often emphasises the action, and the time spent on the action, rather than the result-
 - √ She's been writing an article for the school newspaper. (= She's started, but she hasn't finished.) it yet.)
