Hi A.,  
Just got back from a 1  trip with my mum. And you know what? It wasn't as bad as I had feared ;-). I wanted to find something nice to wear for Mike's 2  party next Saturday, and was getting ready for a big battle. You know: is this practical enough? How many times are you going to wear that top afterwards? Are these shoes really 3 , or just trendy?  
Actually, mum suggested a super cool 4 : I could choose whatever I wanted on one condition - I need to promise that I am going to wear this thing at least 20 times. I know - so 5 ! The only other restriction is the price, but that's normal for me.
